

# ABOUT JUDGE MCAFEE

---

Judge Scott McAfee has devoted his career to public service. First as a state and federal prosecutor and then as Georgia's Inspector General.

While with the Fulton County District Attorney's Office, Judge McAfee started in the complaint room and worked his way up to the major case division where he exclusively handled homicide prosecutions. As an AUSA in the Northern District of Georgia, he investigated and prosecuted major drug trafficking organizations and fraud conspiracies. Later, as Georgia's Inspector General, Scott was responsible for policing allegations of fraud, waste, and corruption throughout the entire executive branch.

On February 1, 2023, he was sworn in as Fulton County's newest Superior Court Judge. Scott is running for election in 2024 so that he can continue serving our community by clearing the COVID backlog, giving everyone their fair day in court, and keeping our community safe.

Scott met his wife Danielle while at UGA, and they are the proud parents of two children, ages four and two.
